# Botanical extracts & Powders

ITEMS	BOTANICAL NAME	AVAILABLE GRADES	ANTIOXIDANT / SUPERFRUIT																	
			CARDIOVASCULAR HEALTH	DIGESTION	IMMUNE SYSTEM	JOINT HEALTH / ANTI-AGING	MOOD / STRESS	SPORTS NUTRITION / ENERGY	URINARY SYSTEM	WEIGHT MANAGEMENT	WOMEN'S HEALTH									
Acacia Gum	<i>Acacia Senegal</i>	90% fiber content																		
Acai	<i>Euterpe oleracea</i>	2% polyphenols	•																	
Acerola	<i>Malpighia glabra</i>	17% or 25% vitamin C	•	•																
Andrographis	<i>Andrographis paniculata</i>	20% total andrographolides			•	•														
Apricot	<i>Prunus armeniaca</i>	powder			•															
Artichoke	<i>Cynara scolymus</i>	2.5% or 5% cynarin or 15% chlorogenic acids	•		•															
Bilberry <b>NEW</b>	<i>Vaccinium myrtillus L.</i>	25% anthocyanins	•																	
Bilberry	<i>Vaccinium myrtillus</i>	powder	•																	
Black Pepper	<i>Piper nigrum</i>	95% piperin																		•
Blackcurrant	<i>Ribes nigrum</i>	powder	•																	
Blueberry	<i>Vaccinium angustifolium</i>	powder	•																	
Buckwheat	<i>Fagopyrum tataricum</i>	30% rutin		•																•
Cherry Stem	<i>Prunus cerasus</i>	10:1																		•
Chicory	<i>Cichorium intybus</i>	4:1			•															
Chlorella	<i>Chlorella vulgaris</i>	50% proteins								•										•
Cinnamon	<i>Cinnamomum zeylanicum</i>	20% PACs	•	•																
Cranberry	<i>Vaccinium macrocarpon</i>	1 to 90% PACs	•																	•
Desert Date	<i>Balanites aegyptiaca</i>	2.5% diosgenin																		•
Desmodium	<i>Desmodium adscendens</i>	0,5% vitexin			•															
Devil's Claw	<i>Harpagophytum procumbens</i>	2% to 20% harpagoside								•										
Elderflower	<i>Sambucus nigra</i>	4:1	•																	
Fenugreek	<i>Trigonella foenum-graecum</i>	50% saponins			•															
Flaxseed	<i>Linum usitatissimum</i>	20% lignans																		•
Garcinia Cambogia	<i>Garcinia cambogia</i>	60% HCA																		•
Garlic <b>NEW</b>	<i>Allium sativum L.</i>	5% Allicin			•															
Ginger	<i>Zingiber officinale</i>	4% gingerols	•		•															
Ginkgo Biloba	<i>Ginkgo biloba</i>	24% flavonoids - 6% terpenoids	•																	•
Ginseng Panax <b>NEW</b>	<i>Panax ginseng</i>	5% - 7% ginsenosides / 30%	•							•										•
Glucomanann Konjac	<i>Amorphophallus konjac</i>	95% glucomanann								•										•
Goji	<i>Lycium barbarum</i>	40% polysaccharides	•							•										
Grape Marc	<i>Vitis vinifera</i>	50% polyphenols	•	•																
Grape Seed	<i>Vitis vinifera</i>	95% polyphenols / 40% OPC	•	•																
Green Coffee	<i>Coffea robusta</i>	15% chlorogenic acids	•																	•
Green Tea	<i>Camellia sinensis</i>	40% EGCG or 90% polyphenols	•																	•
Griffonia	<i>Griffonia simplicifolia</i>	30% or 99% 5-HTP																		•
Guarana	<i>Paullinia cupana</i>	8% to 22% caffeine	•																	•
Gymnema Sylvestris	<i>Gymnema sylvestris</i>	25% gymnemic acid																		•
Heather	<i>Erica cinerea</i>	10% polyphenols																		•
Hibiscus	<i>Hibiscus sabdariffa</i>	10% polyphenols	•																	•
Hops	<i>Humulus lupulus</i>	4 to 6:1																		•
Horsetail	<i>Equisetum arvense</i>	7% silica																		•
Kola Nut <b>NEW</b>	<i>Cola nitida</i>	8% caffeine																		•
Lemon Balm	<i>Melissa officinalis</i>	10:1 or 1% rosmarinic acid	•		•															•
Lemon Juice	<i>Citrus lemon</i>	powder								•										•
Milk Thistle	<i>Silybum marianum</i>	80% silymarin								•										
Nettle Leaf	<i>Urtica dioica</i>	10:1 or 4% polyphenols	•																	
Nopal	<i>Opuntia ficus indica</i>	powder																		•
Olive fruit	<i>Olea europaea L.</i>	3% or 10% hydroxytyrosol	•	•																
Papaya	<i>Carica papaya</i>	6000 IU proteolytic activity																		•
Papaya	<i>Carica papaya</i>	powder																		•
Passion Flower	<i>Passiflora incarnata</i>	4:1 or 10:1																		•
Peach	<i>Prunus persica</i>	powder																		•

Organic grades (Ecocert) available – specifications may vary
